

English: Year 8 Tracking Table

Most students will start Year 8 on 'Beginning' because this year we expect more from you in terms of the skills you developed in Year 7. By the end of Year 8 you should have moved up to at least 'Secure' so that you are well prepared for your next year. Wherever you start the year, we want you to make two levels of progress by the summer holiday.

As you complete each assessment shade in the column up to the level you have achieved. Use a different colour for the Language and Literature columns.
