The estimated cost for this trip is £340.</p> <p>Candidates will sit 3 external examinations following this 2 year course.</p> <p>Paper 1 30%</p> <p>Content overview</p> <ul style="list-style-type: none"> ● Area of study 1 Topic 1: Tectonic Processes and Hazards ● Area of study 1 Topic 2: Landscape Systems, Processes and Change ● Area of study 3 Topic 5: The Water Cycle and Water Insecurity ● Area of study 3 Topic 6: The Carbon Cycle and Energy Security ● Area of study 3 Topic 7: Climate Change Futures <p>Paper 2 30%</p> <p>Content overview</p> <ul style="list-style-type: none"> ● Area of study 2 Topic 3: Globalisation ● Area of study 2 Topic 4: Shaping Places ● Area of study 4 Topic 8: Superpowers ● Area of study 4 Topic 9: Global Development and Connections <p>Paper 3 20%</p> <p>The synoptic investigation will be based on a geographical issue within a place-based context that links to the three synoptic themes and is rooted in two or more of the compulsory content areas.</p>
University requirements	Typical grade requirements to study a Geography degree are as follows: Oxbridge: A* A A Russell Group: A* A A to A B B Non Russell Group: A B B to B B B
Related courses and careers	Geography is considered as both a science and humanities subject. Therefore it leaves a wide array of career paths open for students. Whether they are interested in physical Geography careers such as hydrology, climate science or a human Geography career such as GIS and consultancy. However, most students use Geography as a subject which gives them a wide variety of skills, current affairs and understanding for any career path they wish to follow including: Banking, Retail, Teaching, Public Relations, Events Management and Media. Geography is highly regarded at university level and beyond and is therefore incredibly popular at Townley.
